

DECEMBER'S OUTING – PANERA & ICE SKATING

TAKE NOTE!

Knox Youth Fellowship 2018

January 2018

KYF will participate in the all church study **LOVE DOES**. They will work through the curriculum on Sunday nights in their small groups.

The youth board team schedule is being restructured to allow more planning time during the school year instead of struggling to coordinate meetings during summer vacation.

Figuring It Out

is the name of this year's Celebration Choir Musical. It was the skits were written by Lydia & Monica Brown and it include are both contemporary Christian songs and original songs (lyrics by the Browns and music by Knox musicians). We are SUPER excited to see it come together!

Summer 2018

This summer we are adding a Mission Experience weekend for our Junior High students. The JH students will have the opportunity to work with local Knox supported ministries (i.e. Cherith Brook, Crosslines) and other metro charities as part of an immersion experience.

Fall 2018

will bring a permanent schedule change for the Celebration Choir. They will begin meeting at 5:45PM spring and summer semesters to allow members the opportunity to rehearse as a whole and to work in small ensembles to prepare content to perform outside Knox more often. This change came out of a desire to take the Love of God outside Knox to the broader community. Russell, the CC sponsors, and teens request your prayers of support and guidance on this new adventure!

Celebration Choir

Begins meeting Sundays at 5:30PM as they begin to focus on this year's musical – Figuring It Out!

Pancake Breakfast Fundraiser

Celebration Choir members will be selling tickets to their annual pancake fundraiser Sundays between services. Fundraiser benefits the 2018 Celebration Choir Tour to Colorado!
